# Hillites Show Spirit at the Pep Assembly

*"The energy at the pep assembly was great, and it was a good welcoming for me!"*

*-Mrs. Andros*

The pep assembly was a great kickoff to the new school year. Not only did it introduce the new principal, Mrs. Andros, but it showed all the new students what Arthur Hill pride is really about.

The captains from every fall sports team spoke about their upcoming season. Those teams

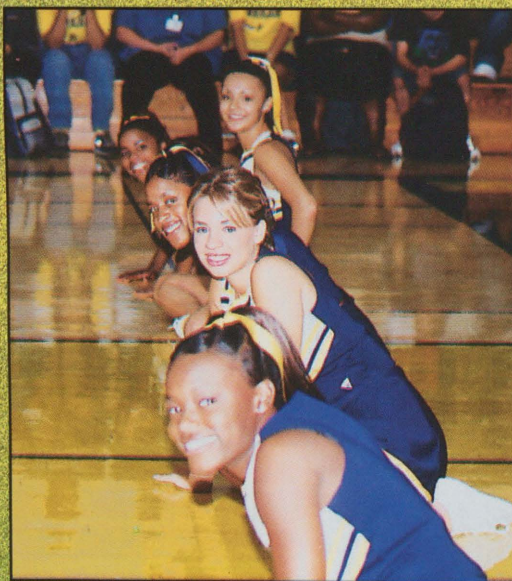

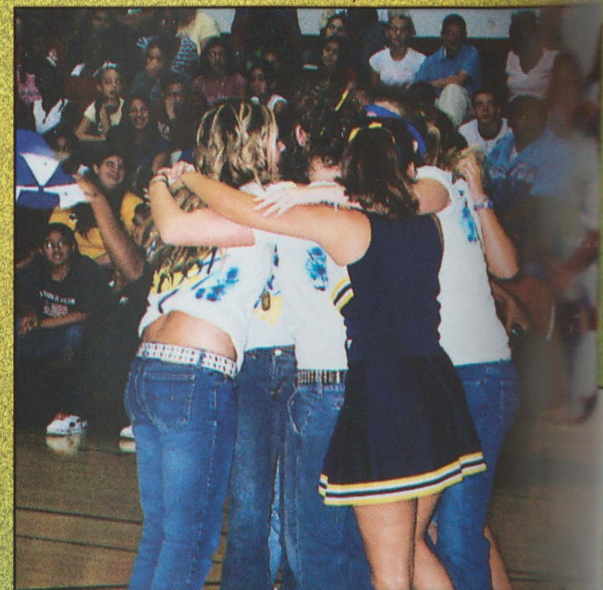

included: boys soccer, girls swimming, boys golf, girls tennis, girls basketball, and of course, football. The JV and Varsity Cheerleaders showed their spirit by doing a couple cheers.

To end the assembly, Mrs. Andros announced the nine lucky senior girls who made

homecoming court. The girls were: Abby Barlow, Jamira Calais, Jennifer Harge, Stacy Keene, Sara Martinez, Mackenzie McGrath, Savannah Price, Rulla Sika, and Brittany Young.

This assembly was a huge success and truly did pep up the school.

# Homecoming Court

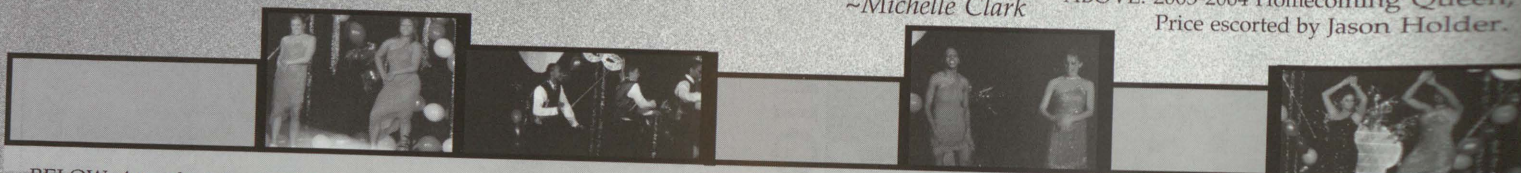

The 2003-2004 Homecoming Court was revealed at our pep assembly on August 28, 2003. Abby Barlow, Jamira Calais, Jennifer Harge, Stacy Keene, Sara Martinez, Mackenzie McGrath, Savannah Price, Rulla Sika and Brittney Young were all called down by our new principal, Mrs. Andros, and excitedly embraced each other. Instead of finding out who our queen and her attendants are on AHNN, as in past years, this year

we were all in suspense as they walked down the aisle of our auditorium for the Homecoming assembly. Traditionally, the 2002-2003 Homecoming Queen, Lauren Terry, came back to give a speech to your 2003-2004 Homecoming Court. Mr. Westbrook did the honors of announcing attendants Brittney Young and Jamira Calais and your 2003-2004 Queen, Savannah Price.

# Homecoming, One Like No Other

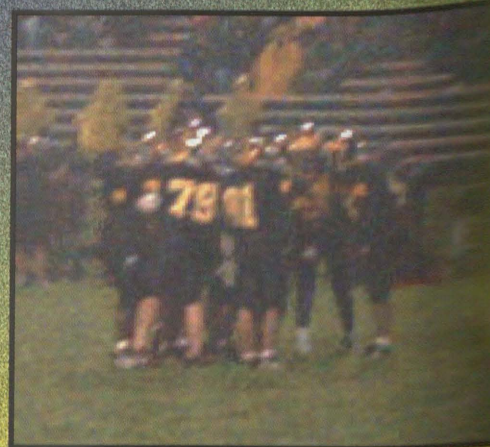

This year, the usual kick-off to the Homecoming festivities the parade was cancelled. On Friday, October 3, it was too rainy to even let the parade go on. Many students were very disappointed, not only because of the parade, but also the weather. However, they stuck it out and went to the game to support the football team. Although we lost the homecoming game, 17 to 0, students' spirits were still up for the dance.

The dance, held in the Arthur Hill Gymnasium at 8:00 p.m., was a dance like none other. Most students could agree that the music could have been better; however, they showed appreciation to what they had.

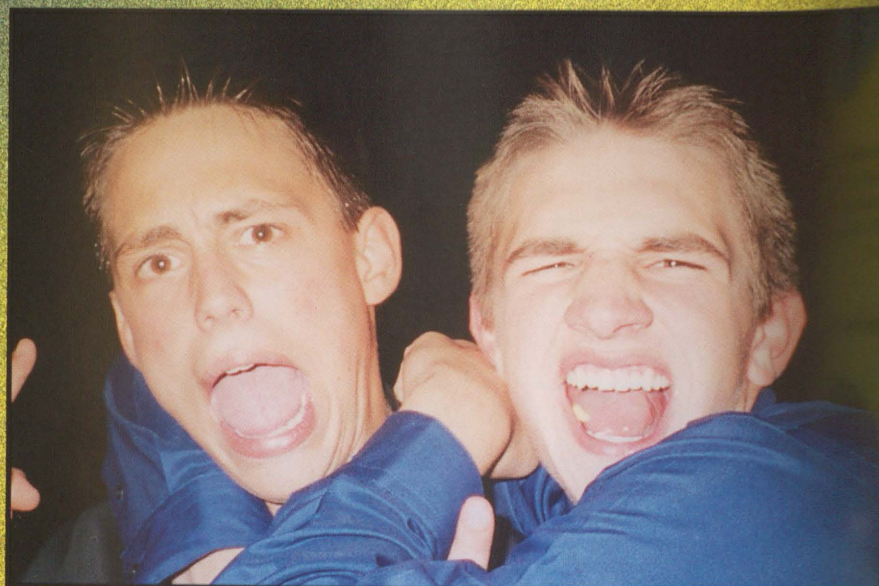

Although the parade was cancelled, the Homecoming weekend was one we will never forget.

...at the Homecoming Festivities...

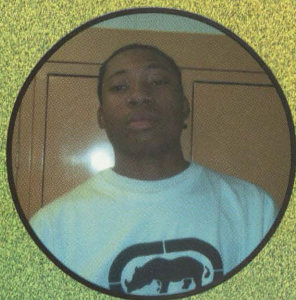

How do you feel about the Homecoming Parade being cancelled?

"I was sad because this would have been my first parade being in highschool. I still would have gone in the rain."

Kassi Montoya 9th Grade

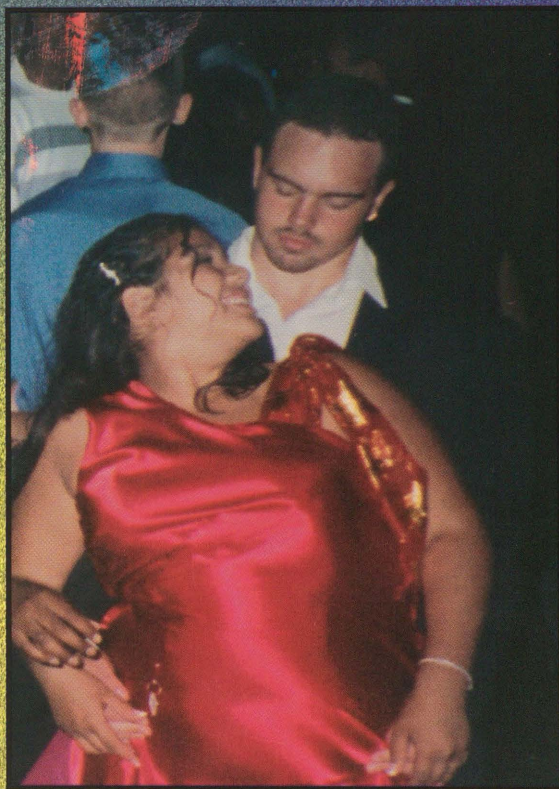

"It was bad, and I was very disappointed because I love the parade."

Vernon Jackson 11th Grade

"I was upset by the parade being cancelled because it was big part of my senior year."

# snowball

This year, Arthur Hill experienced a "modified version" of Snow King. The 9 candidates were announced at our winter pep assembly. What's different this year though, is that the guys do not get their own assembly. The king and the runner-ups are going to be announced at Snowball.

Snowball was on February 28 from eight to midnight. Over 500 tickets were sold and senior Chris Scott was the mc.

# What Seniors Will Miss Most...

I'm going to miss...

"...I think the majority of the seniors will miss being able to see each other on a daily basis, and also, all the sporting events and the parties, but most of all we will miss each other."

-Cassie Brady

"...not going to class."

-Donovan Norman a.k.a Heavy D

"...all the people I have grown up with, my favortie teachers, Mrs. Weiland, Mrs. Yost and Mrs. Perez. I also going to miss dances, games, and assemblies."

-Robin Pena

"...Chris Scott's fun "hall parties" where chairs be fly'n and girls be pop'n."

-Christopher Bernard Scott III

"... the fun and the friends."

- Andrea Rivette

"...the administration, parapros, and the wonderful discipline here at the Hill

- Sean "Boots" McCliggott

"... clowning in class."

-Mackenzie McGrath

"...everyone...all the seniors, especially Timmy. I wish all the under-class men good luck in the future."

-Karenia Randle

"... the giant parking lot, where there is always a parking space...I claim my spot by the track."

-Vincent Bond

"... the senior class."

-Renee Henry

...a few of the teachers like Mrs. Tolley and Mr. Gravlin's corny jokes."

-Katie Stanton

"...the usual stench in the hallways and all the constant hypeness."

-Stacy Keene

"...my seniors and the basketball team, I will also miss my coaches such as Coach Wilson and Coach Kilmer. They are the reason why I'm this good in basketball right now."

-Lakisha Freeman

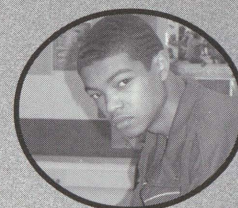

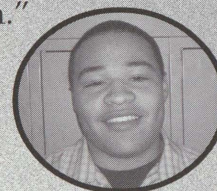

"... pep assemblies, homecoming, and prom."

-Lacreshanette Reed

"... being a senior."

-Marcilynn Forbes

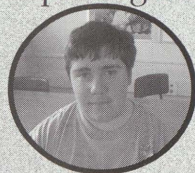

"...seeing my friends everyday, the pep assemblies, and everyone clowning in class and in the hallways."

-Jennifer Harge

"...sporting events, homecoming, Snow King and all my boys."

-Josh Shorter

"...being babied by teachers."

-Monica Meechum

"... the camaraderie and the intensity of our athletes."

-Adam Emmenecker

"...seeing my friends and the laid-back high school atmosphere. Also, I'll miss walking through the halls with all of my classmates and being a part of the sporting teams and crowds."

-Troy Howley

"...my boys that I cheer with and all the fun times with everybody at school and the atmosphere."

-Travis Webber

"...the teachers because they were so cool --also chillin' in the parking lot."

-Quincy Hodges

# CLASS OF '05!

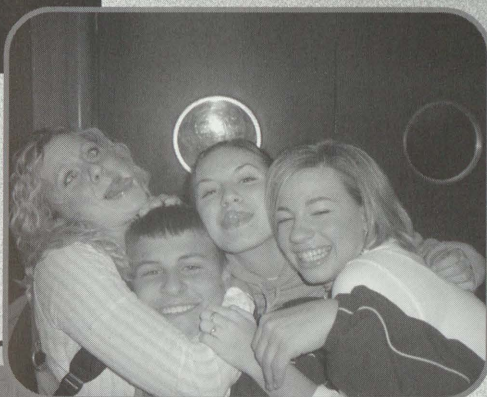

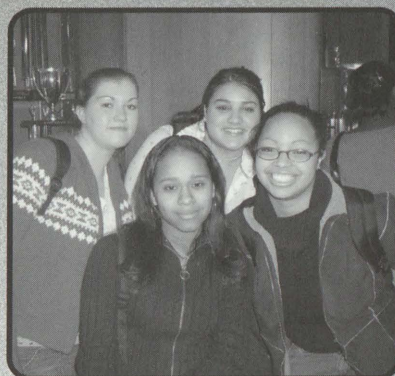

# JUNIOR PRIDE! THREE YEARS DOWN.. ONE TO GO!

Juniors being silly!

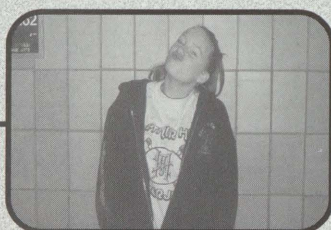

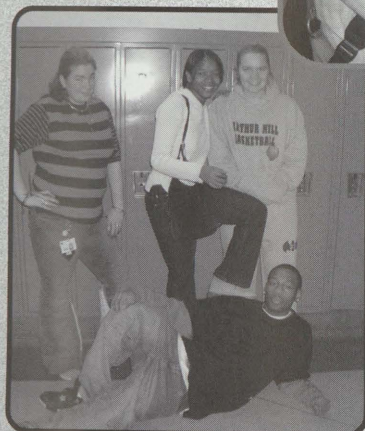

Friends forever!

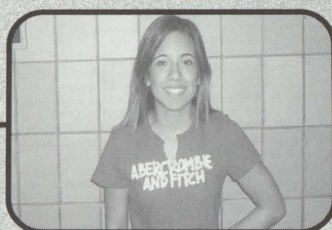

What magazine would you read if you were a member of the opposite sex?

~ Markesha Davis

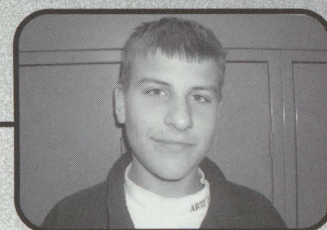

"If I were a guy, I would read Cosmopolitan. That way I can learn things that I need to know about girls."

~Lindsay Hemingway

"If I were a guy, I would read Maxium because there are pictures of Britney Spears in it."

~Serena Vasquez

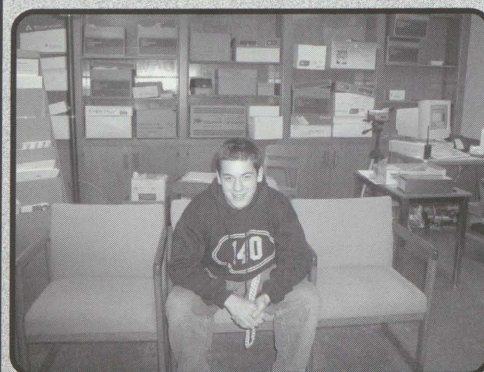

"If I were a girl, I would read Cosmopolitan."

~Robert Newman

"If I were a girl, I would read Black Hair so that I can get ideas for what I would want done for my hair."

~Wykeem Harris

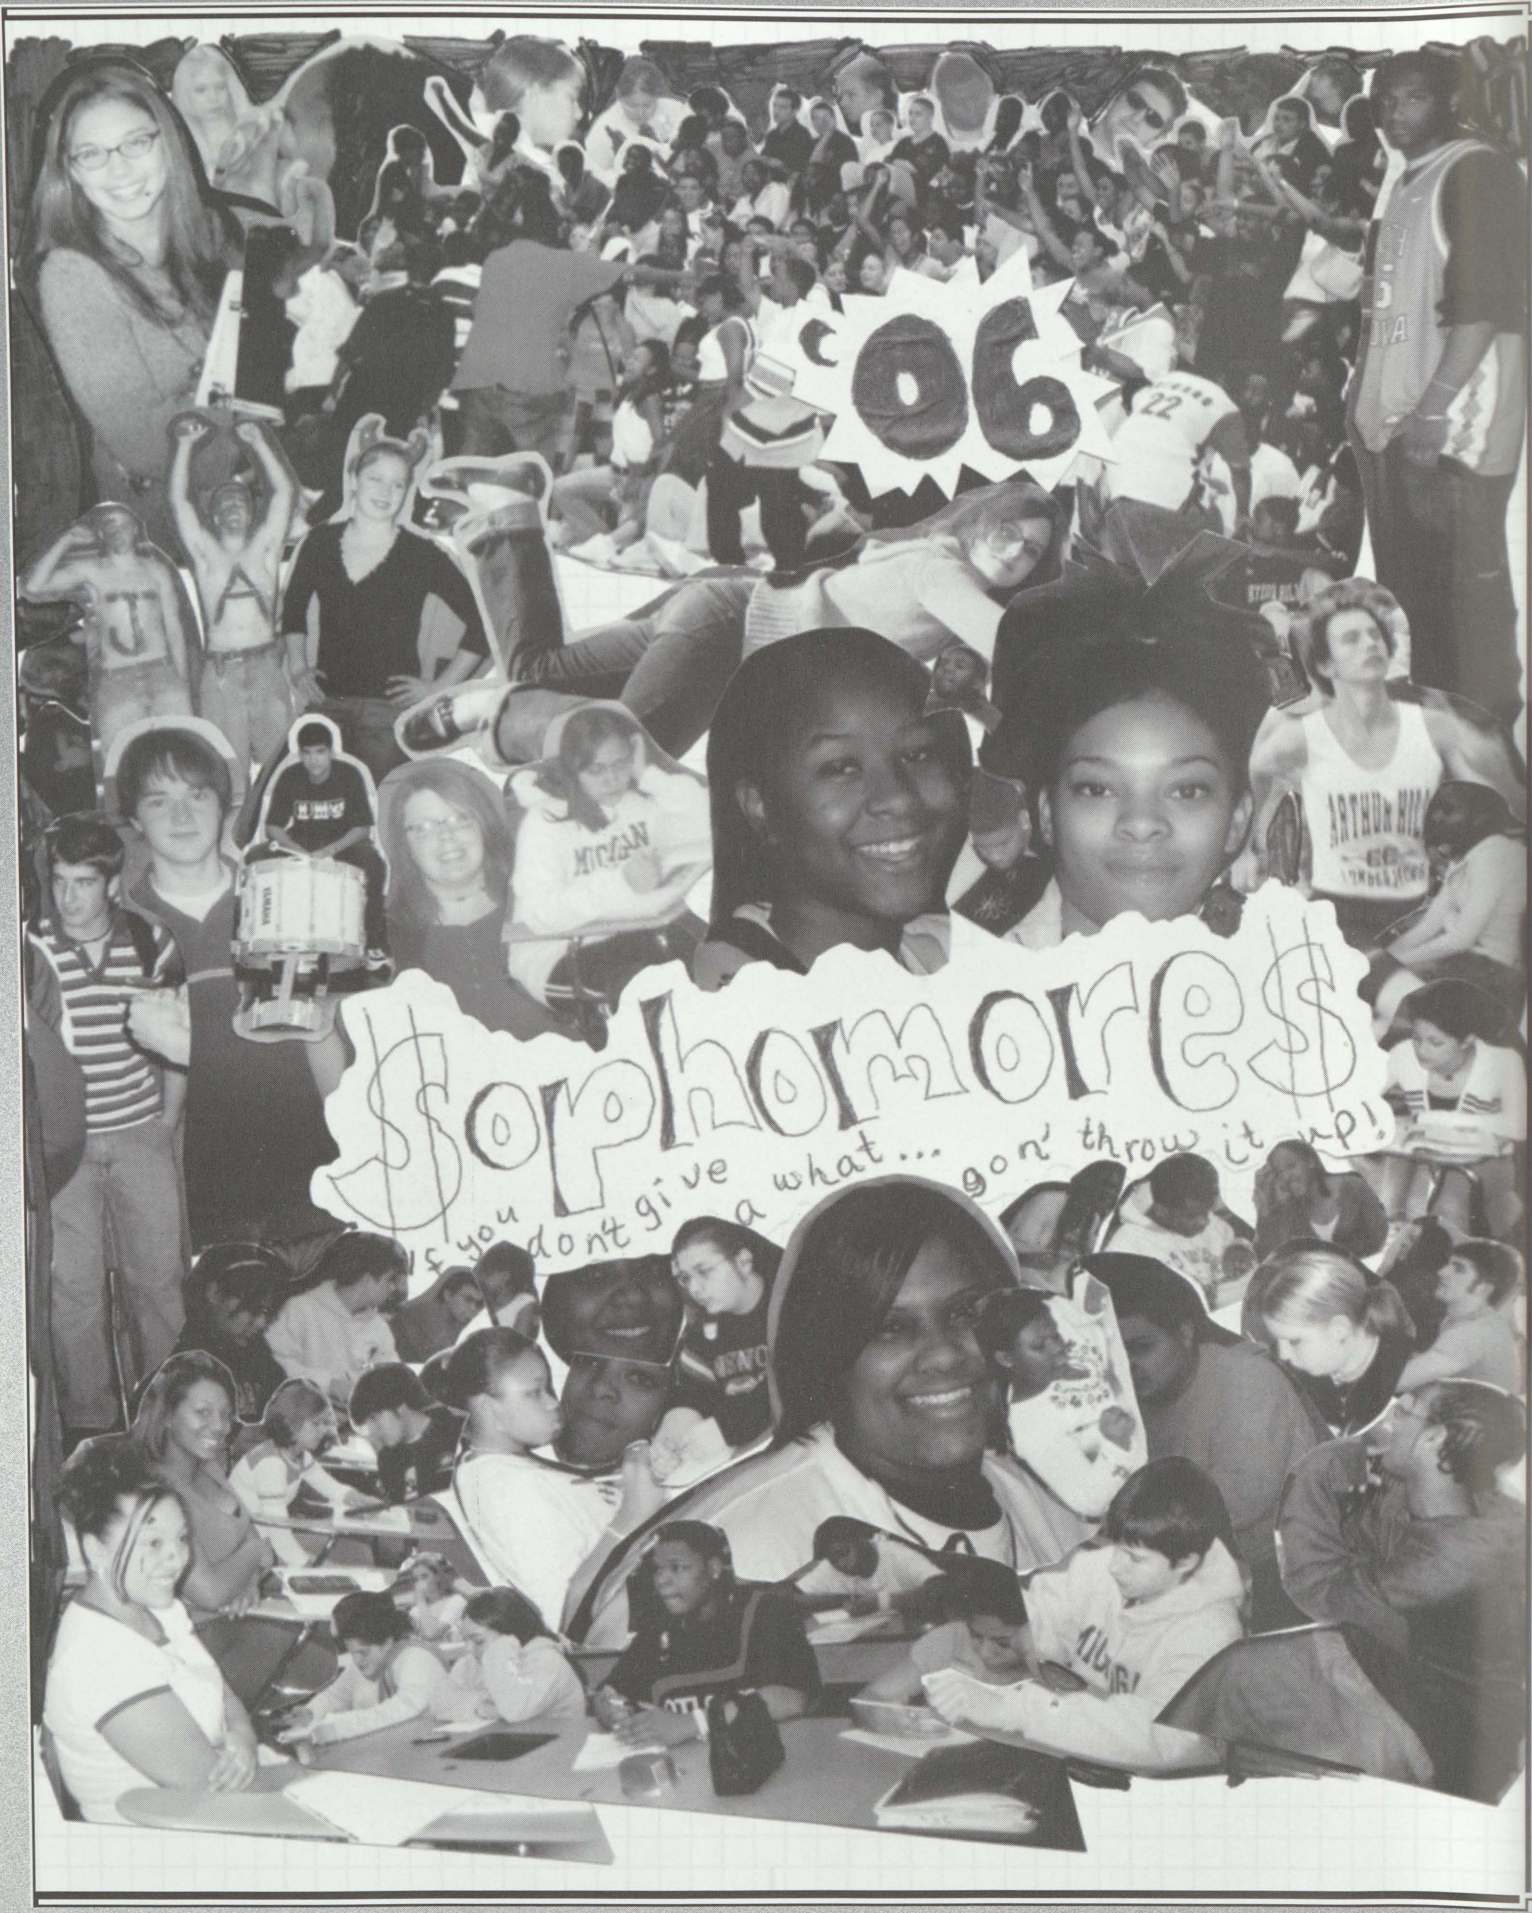

If I were a girl, I would read National Geographic. No matter what my gender is, I wouldn't change my reading literature.

# The team works to improve Arthur Hill & the students

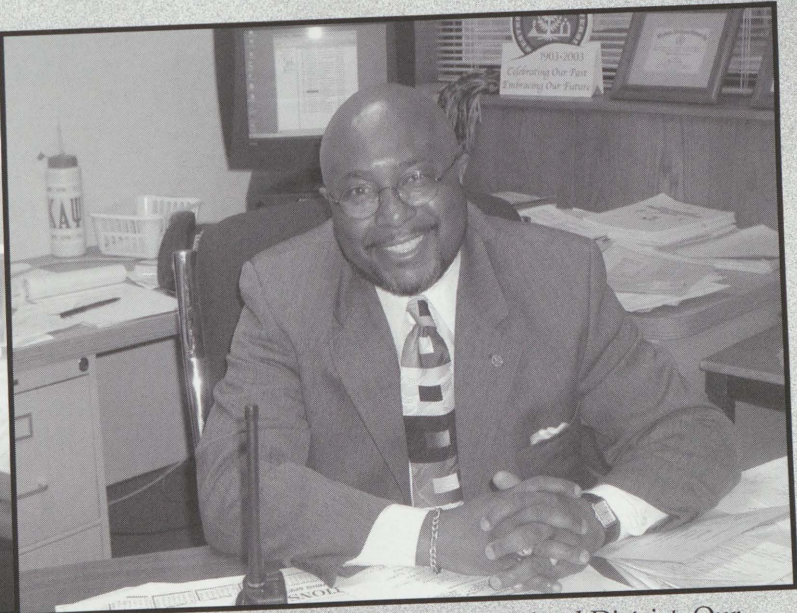

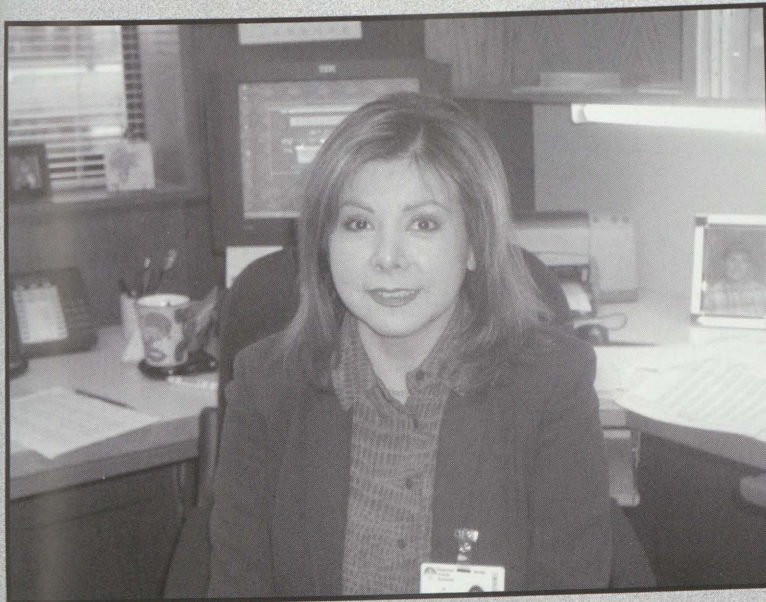

Principal Mrs. Kathy Andros

Assistant Principal Mrs. Mercedes Perez

Assistant Principal Mark Frost

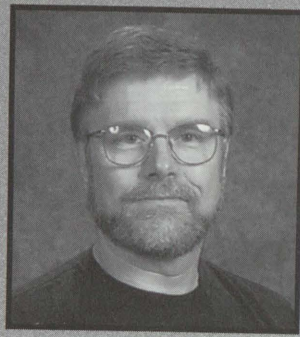

Assistant Principal Jimmie Westbrook

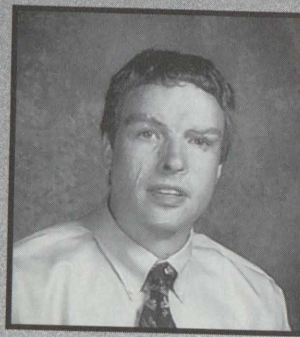

This year Arthur Hill gained two new administrators, but they are still familiar to the Saginaw Public School District. Our new principal, Mrs. Kathy Andros, came to us from the Saginaw Arts and Sciences Academy, where she was also the principal. You may also notice Arthur Hill has a new vice-principal. Mr. Mark Frost was the former principal at South Middle School. Let us not forget our beloved assistant principals; Mrs. Mercedes Perez and Mr. Jimmie Westbrook, who are all too familiar to the halls of Arthur Hill High School.

# More Lunch Hours, More Work

After the new lunch hour, the cafeteria ladies are still working hard. The head cafeteria worker, Debbie Damore, tells us they put the extra effort into making these lunch hours perfect. There hasn't been any major problems during the lunch hours. The great supply of food selection that is made fresh everyday helps to make the students happy during breakfast, ten minute break, and lunch. The ladies have been working very hard and show no signs of slacking off. Next time you see one of them say, "Thanks," and show some appreciation.

~Vernon Jackson

# Custodians Are There To Help

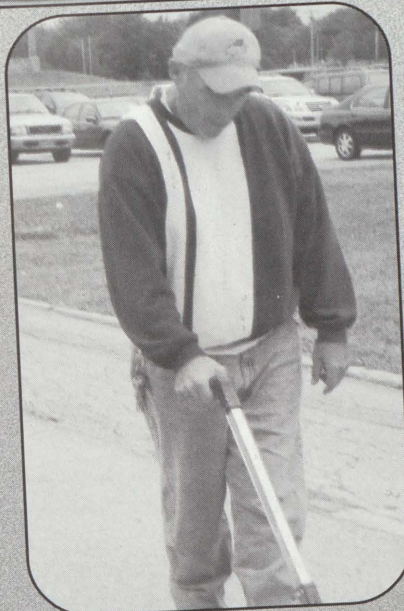

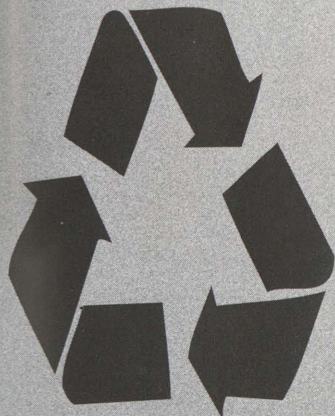

These custodians are here all day every day cleaning up our school. They are even here before school, after school, throughout the school day, games, school dances, assemblies, the summer time, and all the other activities that we have. When you see them out cleaning up, tell them thanks for all the hard work they have been putting into our school. Maybe we don't let them know that we appreciate their hard work, but we really should.

## Media center specialists, paraprofessionals, and secretaries.

Everyday we see the people who keep us safe and help us with things we may need at school, and we think nothing of it. They are always there, be it in the form of a paraprofessional, media center specialist, secretary, or any other worker at the school, and they're here to help us. The paraprofessionals were recognized this year with brand new uniforms consisting of a red Saginaw School District shirt and black pants.

# Math Wizz's Get Working

With two years required math, most students are happy to get out of 10th grade algebra/geometry, but they soon realize it's common to take more years of the subject. With 11th grade trigonometry and 12th grade pre-calculus, students use their math knowledge to prepare themselves for college classes. Honor's math classes are also available at the beginning of freshmen year, and students continue to take them through all four years.

# New Students, New Experiences, Same Ol' Stench and Fumes

This year in the Science Department students were introduced to new faces and challenges. There are a wide variety of classes offered such as: chemistry, ap chemistry, natural science, human biology, advanced biology, physics, advanced physics, astronomy, as well as freshman and sophomore science classes.

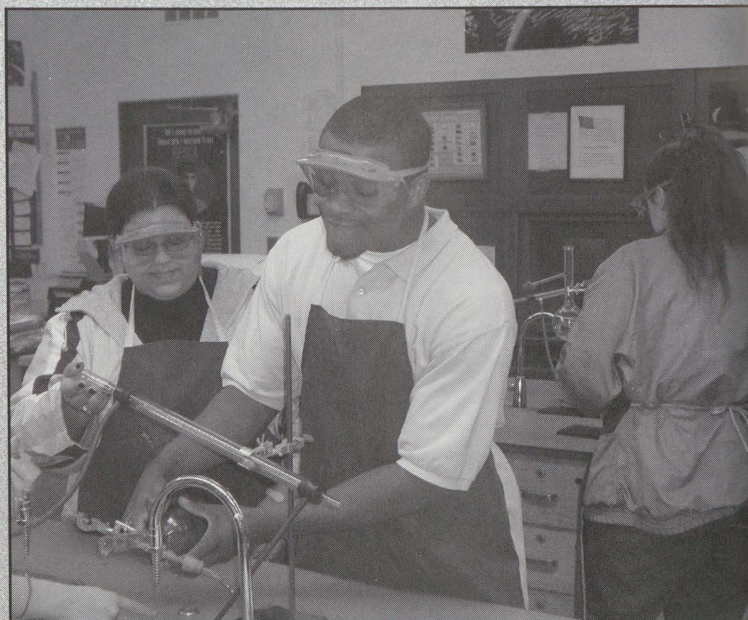

Mrs. Thompson, who is the head of the Science Department, strives for each student to take in new knowledge day in and day out, but at the same time, have fun while learning. With that in mind hands-on activities are always going on in the science wing. This ensures students the opportunity to always be on task and learning. Most importantly teachers want students to prepare themselves and be ready to be a success in the future.

## In the Mighty World of Words... Language Arts

English Language Arts is a core class that every student must take. It is divided into different branches such as: African American literature, American literature, creative writing, drama, exploring literature, public speaking, and world literature. Also things are different this year: Dr. Fish is back teaching creative writing, and Mrs. Rebney is taking on world literature again.

Every year the Michigan Educational Assessment Program, ( MEAP ) offers scholarship money to those who excel in all academics, especially reading and writing. With that in mind, the staff and teachers are pushing the students to do better.

Teachers are holding strong and taking on a larger work load because of the senior project requirements this year. The senior project includes a career focus paper which is completed in the 11th grade. This is the first step for many to begin the senior project.

# Students Continue to Learn about History

This year the Social Studies department is off to a great start. The increase in students have over populated these classrooms. The freshmen are getting their first taste of high school History with many more years to come. The Lumberjacks are working hard and doing an outstanding job so far. By taking classes such as Government, Economics, Sociology, Psychology, and U.S. History, students are acquiring many new skills and will be fully prepared for their future ahead.

A place away from the core classes, electives. Electives are optional classes that aren't your basic classes like English, math, and science. Electives are also classes that you can enjoy that could be a hobby. The choices of electives include: accounting, drama, computers, studio art, and studio crafts class. However, new this year is a photography class and a teacher cadet class.

In the photography class, students learn the tips and tricks that photographers use in framing, producing, and taking pictures with Mr. McAuley in charge of the class. The teacher cadet class is monitored by Ms. Gibson. She watches their every step in hopes of them becoming teachers.

Electives give many of the students opportunities to open other doors. Many of those who participate in electives are influenced into their future careers that they wish to pursue.

## The SASA Experience

Many of our Arthur Hill Lumberjacks spend half of their day as a SASA Dragon for three hours of intense study in a certain concentration. What is a concentration at SASA? Well, students can choose from any of the following academics: Math/Science, Global Studies, or Language Arts. If the student is feeling "artsy," they can choose from Visual Arts, Voice/Keyboard, Theater, or Dance. Students are able to get heavily involved with their talents and interests while at the same time building skills for college. For example, art students begin constructing their portfolios as early as their freshman year. Theater students go on auditions during field trips to colleges. Concentrations even come together for projects such as ICONS, which is a student judged literary/art magazine by the Art and Language Arts departments.

## *...Never at a Standstill...*

The news at Arthur Hill is shown through two ways, Newspaper and the Arthur Hill Network News. Throughout the year the news at the Hill is never ending. With sporting events, dances, achievements, controversy, and of course, the basics, the news crew is never at a standstill. Taking pictures, writing stories, searching for the dirt, and of course, getting out of class are some of the main tasks a news reporter does during the course of the year. So if you would like to report on the dirt, then think of the AHNN as an option.

# STUDENT COUNCIL

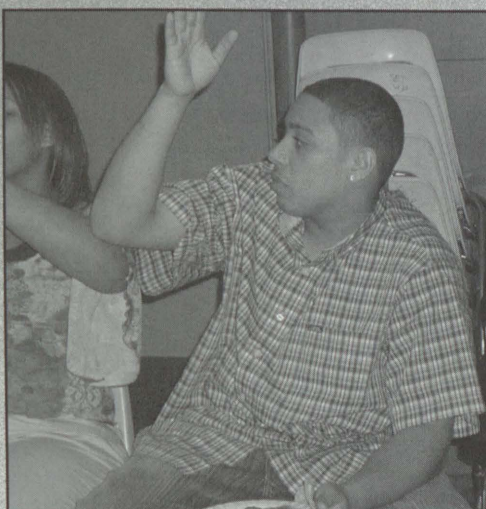

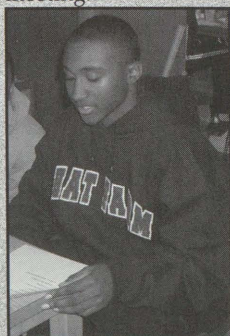

Students represent classmates to influence changes

The student council worked hard this year to make Arthur Hill a better place. Under first-year advisor, Mrs. Claire Yost, members organized spirit days, set up dances, sponsored food and blood drives, and helped recycle. Student council took an active roll in the school, not only to promote Lumberjack pride, but to have a positive effect on the community. Overall, under the leadership of President Alan Crawford, Vice President Jennifer Harge, Secretary Lakisha Freeman, and Treasurer Stacy Keene, the student council did indeed leave their mark on the Hill.

This year marked the first for Arthur Hill's Leadership class. Taught by Dr. Thomas Fish, the class is devoted to helping its students become leaders inside and outside of the classroom. The main project for the students was to create and run businesses. These businesses ranged from caring for pets to booking talent shows and other events to customizing your own personal headband to selling Arthur Hill-related T-shirts. The class did more than the businesses, however. Leadership students taught freshmen, helped sophomores complete their job shadow, and went door-to-door regarding the Saginaw Public Schools bond issue. Overall, the class set a high standard for leaders in the future and was a great first step for preparing these students for life outside the walls of Arthur Hill.

Walking through the front hallway of Arthur Hill you may notice a message board that bears the colors of the flag of Mexico. It is managed by the Latino Action Club. The club this year under advisory of Ms. Conflitti has been in charge of many different fundraisers. They have meetings every Tuesday. This past November just before the Thanksgiving season the LAC was part of "Caring for the Community," a food drive for the homeless. The club successfully collected over 360 perishable items of food for the homeless.

To feed many of our hungry students, the LAC is famous for selling food for their own fresh style in fundraising. Caramel apples were a very popular item during the fall. The LAC also sold their own homemade Mexican food. Valentine's Day seems to be a special time for students. Members of the club sold presents and flowers to students to give to their sweethearts during this "love-y-dovey" time of year. ## Black Studies Club

The Black Studies Club became involved with many different activities and had a lot of student participation in the 2003-2004 school year. This year's club advisor was Mrs. Coleman. Along with the club's president Briana Ford, the club members all took a big part in organizing big events. In December of 2003, the club put on the annual Kwanza Dinner. Each member from the BSC was asked to bring a dish to pass. Club members were able to put on a presentation for their family, friends, and people in the community.

Different members of the BSC are involved with making the display case for the month of February. During Black History month, students in the club decorate the case with different pictures, books, and other memorabilia to go with the theme. In the month of February the Arthur Hill student body gets to see the Black History Assembly. This event is put on by the members and volunteers of the Black Studies Club. The BSC also decorates the case for the month of March. At this time they are honoring different African-American women during Women's History Month.

# KEY CLUB/SADD CHAPTER

The Key Club has been very busy this past 2003-2004 school year. The club meets every second and fourth Wednesday of every month. The club's President is senior Jacob Kohut and the Vice President is Richie Halas. Key Club members are known for their dedication to the Saginaw community with all of the activities they undergo. During the holiday season in 2003, the Key Club members had a coat drive and combined their time with the school's chapter of the National Honor Society. Thanksgiving was also a busy time for the students. Many of them collected canned food for a Thanksgiving food drive for the less fortunate. In the month of February the members of the Key Club held a contest to see which

advisory could collect the most pop can tabs. These tabs would be used to buy kidney dialysis machines for local hospitals. The Key Club is a national known organization that helps out local communities.

In the spring when the weather is nice and school is almost over, the members still won't be done with their working for the people of the Saginaw community. The members get together and go to local neighborhoods to help senior citizens clean out their lawns. Not only does this club help with community service, but they are involved with SADD (Students Against Drunk Driving). Their job is to make teens aware of the risks of driving while drinking. A very worthy cause.

# Peer Mediation

"We're here for you."

Mr. Shinaver and his team of peer mediators do everything they can to help the students here at Arthur Hill resolve their conflicts against each other in a non-violent way. The program and the peer mediators have been here since 1994, and they plan to be here for a really long time. Some of the issues that they deal with are; date rape, death and loss, family issues, race, religion, prejudice, stress problems, substance abuse, suicide, depression, mental illness, teen pregnancy, discrimination, property loss or damage, rumors, suicide, fights, he say/ she say, and lack of communication. They are also involved with many things like the Saginaw County Crime Prevention and the Teen Summit. Some of the freshmen may have seen them at their orientation earlier this year. The quote that follows peer mediation is : " When we affirm the fact that the courage and empathy of students are a valued asset within school, when we recognize, that students are not the source of the problem of bias, prejudice, harassment, and violence but rather the source of the solution, we send an empowering message of dignity and respect to our young people. Stephen L. Wessler, The Respectful School 2003

" The program is a useful implement in tending to the personal need of students; one on one, or group conflicts, and it allows the counselors to grow as people as well."

Heather Soria.

Drumline member Todd Miller had this to say about this year's band, "We've been working really hard this year, and things are turning out to be pretty good."

Band leader Mr. Wendt thinks, "The band has improved tremendously this year because of their commitment to being the very best they can be."

With each coming year, it gets more and more evident that the marching band has the ability to dazzle the crowds with their smooth melodies, while the flag corps can present the school colors in time with the music at our home football games. This year, they came out playing former hits from groups such as The Jackson Five, The Bee Gees, and the Guess Who. They mostly played hits from the 60's and 70's. With daily practices, and often outdoor training sessions, they are getting better very rapidly, making for next year to be even better than this.

## Keeps the beat alive

The drumline this year has been one of the best groups that Arthur Hill High School has seen in many years. They have enjoyed playing at the football games and providing halftime entertainment. They are also looking forward to their competitive winter season where they hope to once again become world champions. The drumline is led by Todd Miller, a senior, who has spent four years with the drumline. "We have a great group of kids this year, and I am really looking forward to winning worlds again," said Miller. Everybody keep your eyes and ears open for the drumline.

This year the traditional Jazz Band class has been replaced with Advanced Band. This class provides a chance for students who greatly enjoy the original marching band but want more time to

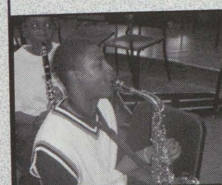

interact with the instructor, Mr. Wendt. "This class gives me much more time with Mr. Wendt. I have improved on my sax so much because of this class," said senior Jacob Kohut.

In the world of music, not only can music be played but sung as well. You can hear delightful echoes and superbly magnificent voices in Ms. Kohut's choir classes. The choir classes consist of a second year acappella choir, concert choir, and beginning choir.

The three choirs began the year with getting in tuned with their voice ranges of soprano, alto, tenor, and bass. As the year progressed, they began to learn holiday carols and songs that brightened the winter season with joy. All three choirs lent their voices to the nursing homes, senior citizen centers, and even to staff, student, faculty and administration of AHHS during the holiday season.

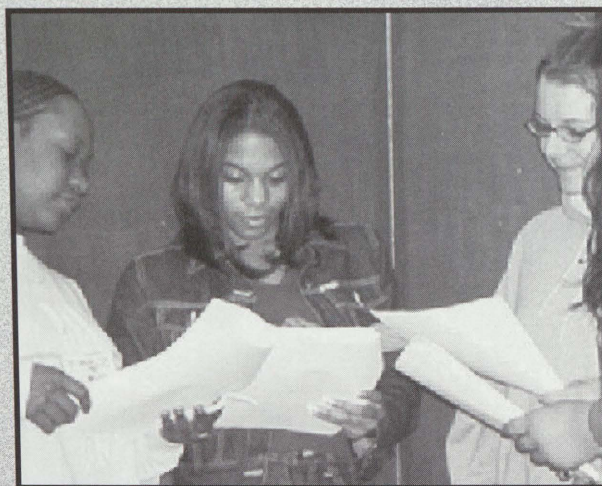

After the holiday joy, the acappella choir began to train for the Valentine singing telegrams. Using songs of their choice, they enlivened the hearts that ache for one another.

In the spring time, Ms. Kohut gets the singers prepared to sing for the spring concert. Her selection of singers and songs bring a musical feast to proud relatives, friends, and supporters of music and music education.

# FIRST & TEN

Varsity football sports a new look.

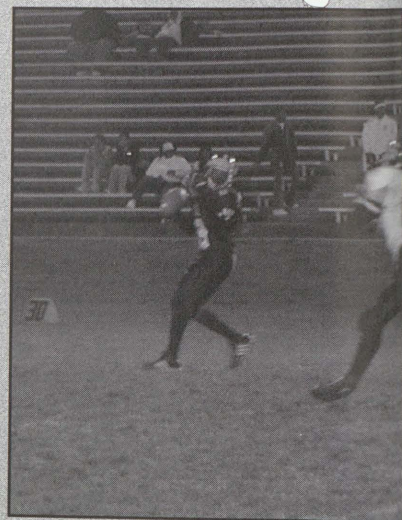

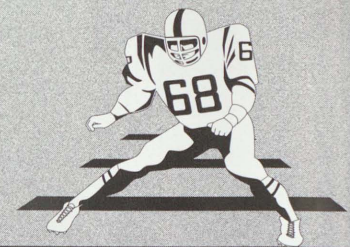

The varsity football team sported a new coach, a new staff, and a new look this year. The team was led by first-year head coach Fred Townsend, after the departure of Jim Jones, the coach for the last seven years. The team struggled in the Saginaw Valley League, going 1-7, with their sole win against Flint Southwestern Academy. The Lumberjacks' new look didn't just stop at

their coach; the Jacks sported new helmets this year, as well. The winged helmets are reminiscent of the University of Michigan helmets and Arthur Hill helmets of old. The team, never gave up, even when the going got tough, as apparent by their 30-15, come-from-behind-win over Flint Southwestern. The Jacks hope to improve on their record next year.

This year, the Boys Varsity Soccer Team worked hard, had fun, won some games, and broke in a lot of new talent. Although many boys were new to the game this year, they all came together and worked as a team. Captains Troy Howley and Tony Kaufman led the team to their 6 and 8 record. Even though the boys only won a few games, they always kept their heads raised high. They all showed great sportsmanship and stayed as strong as an army. Fourth year coach Brian Yaw was altogether proud of the turnout and is hoping next year will be just as good.

We take putt-putt to a whole new level.

The Varsity Golf team, led by 1st-year coach, Dave Jacob, finished the year with a 5-8 record and placed fifth in the Saginaw Valley League. Senior captains Joel Fielder and Tyler Ruple led the way for the Jacks, posting their lowest average scores. Ruple averaged a 42.28 per nine holes, while Fielder averaged 44.55. The other three consistant members, Dan Alberts, Stephen Jahn, and Ryan Godard, averaged 46.83, 48.44, and 49, respectively. The Lumberjacks placed 10th in their regional meet out of 15 teams. The team improved much from last year and hopes to continue their upward rise, while replacing their entire varsity roster.

LEFT:  
The ladies huddle up before winning yet another game.

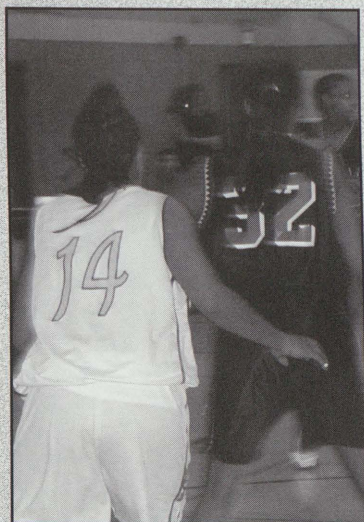

The high hopes of a State Title were crushed with an early

playoff exit. The Lady Jacks were ranked preseason number 1 and never fell lower than fifth in the state. This year's team boasted three division-1 recruits (Lakisha Freeman, Asheley Harkins, and Savannah Price), but they couldn't make it past Heritage for the fourth year in a row, even after defeating them twice in the regular season.

The girls' only defeat in the regular season came at the hands of unbeaten Flint Northern but had wins over tough competition such as Saginaw High twice, West Bloomfield, Detroit Country Day, and Flint Central twice.

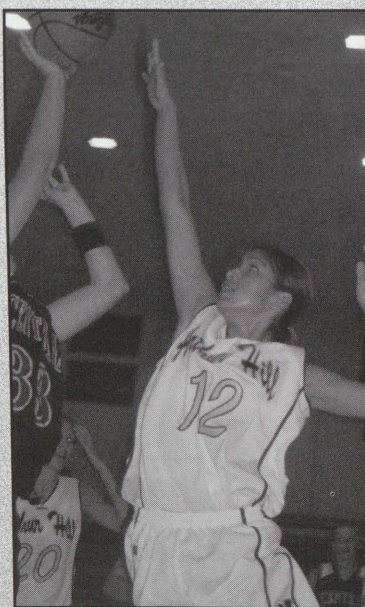

Although the girls were disappointed in their early exit, they built onto the legacy of Arthur Hill basketball and set a high standard for teams to come. The girls boast seven returning players and hope to surpass this year's exceptional season.

# N HOLD 'N DOWN IT

This year's JV Girls basketball season was a blast. With sixteen wins and two losses they dominated the sport. Arthur Hill spread intimidation across the court with great teamwork and leadership from the captains Whisper Belvin and Shannon Foster.

"Effort isn't good enough unless you succeed," said team captain Whisper Belvin, and she proved it with their outstanding record. Another key factor was head coach Tanisha Letson, who trained the girls hard with her wisdom, talent, and astonishing teaching abilities.

Due to the phenomenal winning record the team would most likely agree that it was a great season, and like Tecole Smith said, "It was good, fun, and interesting." Their galvanic gameplay has rendered all opposition obsolete.

# Varsity Cheerleading

The Varsity Cheerleaders never fail to hype up the crowds during basketball and football games. Although the team was small this year, and had a new coach, most girls felt it just showed their character as a team and how strong their spirit was.

At the away Heritage game, the girls couldn't cheer because there was only 4 girls. During the sold out Bay City Central game, the cheerleaders had no room to cheer but instead viewed the game from the bench and cheered during timeouts and between quarters. This never dampened the girls Lumberjack spirit.

# Varsity Pom Pon

"Shake it like a salt shaker!"

This year the pom pon squad has a new coach; her name is Tahisha Pritchett. She's normally at the games to watch the girls performance and evaluate them on their presentation. The girls work very hard. They practice every Thursday at 5:00 p.m. The pom pon squad is composed of sophomores, juniors, and seniors. The girls have a new rule this year. They must give a one minute explanation to the board of education telling them what they're going to perform and what dance moves they're going to do.

When Arthur Hill has a varsity home game the girls perform at halftime to get the crowd up and moving. Some of the girls have been on the squad since their sophomore and junior years and are now seniors. This year they won third place at a state competition. "GOOD JOB GIRLS!" The members the team are as follows: Valentina Delarosa (12th), Anastacia Delarosa(12th), Rachel Gonzales(11th), Rayshon Singleterry(11th), Catey Knowlton(11th), Courtney Johnson-Garret(10th), Sharnice Townsend(10th), Tyrisha Martinez (12th), Brittany Collier(11th), Krystal Hildebrandt(12th), Trashina Conner (10th), Kristin Davis (10th), and Brandilyn Mason(10th).

## Arthur Hill Girls Tennis

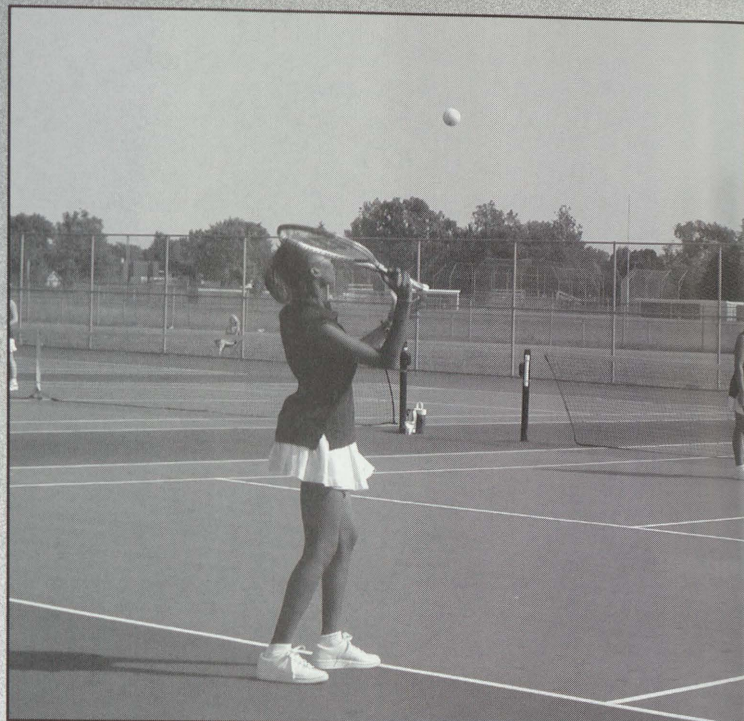

# Back in the Swang of Thangs

Arthur Hill's Girls Tennis team, under the direction of 2nd year coach, Dan Smallidge, finished the season 8th in the SVL's overall standings. The team was led by captains Michelle Clark and Kayla Gonzalez. The team was filled with first year players which helped the team fill the roster but showed inexperience during the course of the year. Many games came down to the last individual match, pulling off the win or the tough

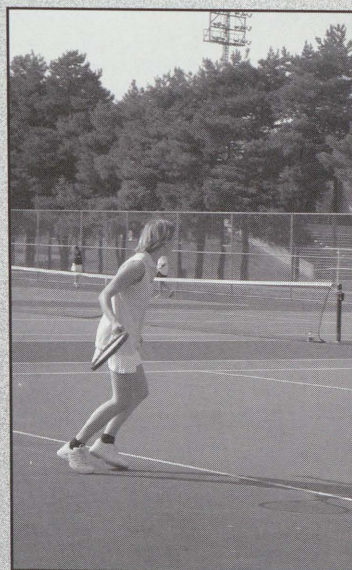

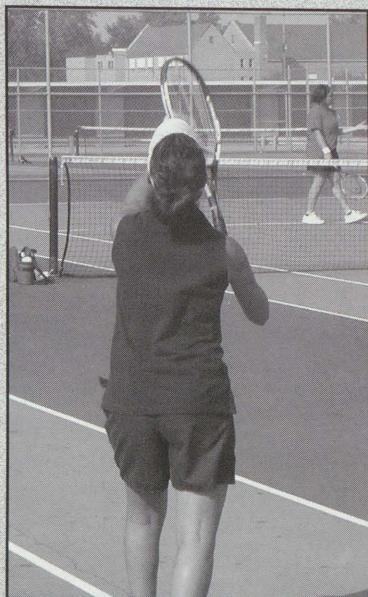

loss. The girls played well throughout the season and pulled off an eighth place finish in the Saginaw Valley Meet. The team showed much improvement throughout the season moving their record to 3-7.

"I was impressed by the way my girls have worked together to steadily improve throughout the year," Smallidge said.

This years Varsity Basketball team lived up to all hype, having one of the best years in Arthur Hill basketball history. The team was lead by Western-Michigan bound, senior, Brian Moten, senior, Adam Emmenecker, and junior Ed "Boomer" Tucker. The team was able to maintain a top 5 state ranking throughout the whole season. They boasted very impressive wins over opponents like Saginaw High, Detroit Murray Wright, defending Runner-Up Flint-Carman Ainsworth, defending State Champs Rockford, and Bay City Central. While scheduling tough opponents, everyone knew it would prepare them for March, but expecting win after win on the way to one of the best seasons ever in history was great, but they had one goal in mind "STATE CHAMPS"

# Varsity Hockey

## Our Team Is Ice Cold

This year's Varsity Ice Hockey team started off the year slow but caught momentum toward the end.

Senior player Kyle Prinz feels that, "Our team this year has not lived up to its full potential. We had many hard losses at the beginning of the season and it was hard to get it turned all the way around." Prinz continued in saying, "the whole year wasn't a loss. We played our hearts out every game and came out with victories in some of them."

Captain Scott Janowiak

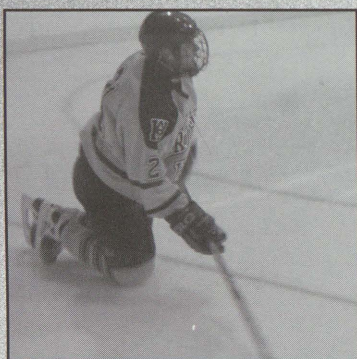

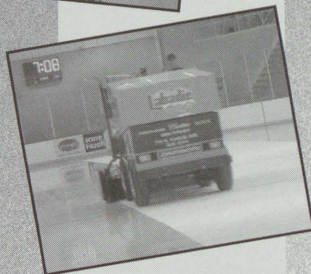

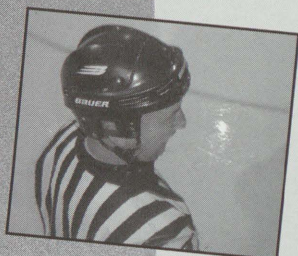

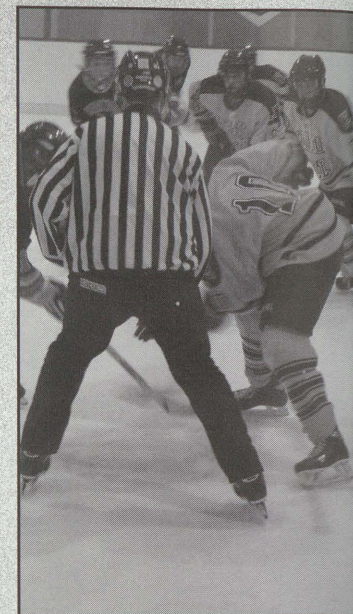

loves to play hockey and has been since he was very young. "I'm going to miss this team a lot. I've been on it four years, and it has become a big part of my life," said Janowiak.

Junior player Brian Lynch said, "Even though we don't have the best record, and we aren't winning as much as we would like, I still have fun with the team."

This is yet another quality season to go down in the Arthur Hill hockey history books.

The varsity volleyball team struggled under a new coach to a 3-30-4 record including tournaments. The team, comprised of four seniors, four juniors, and two sophomores, learned a great deal under Coach Heisler. Although they finished 2-8 in the Saginaw Valley Conference, the ladies had many close matches. They did, however, pick up some wins in tournament play.

Senior leadership by captain, Andrea Rivette,

along with Trashonda Atkins, Stacy Keene, and Rulla Sika held the team together and helped the Jacks work hard.

The Lady-Jacks, hit with the loss of eight players, improved drastically throughout the year. Even though they had a disappointing season, the girls bonded with each other and team spirit was second-to-none.

The Lumberjacks hope to improve next year with the return of many of their players. With the gained experience, next year's team will be a force in the Valley, and will have fun doing it.

# FRESHMAN VOLLEYBALL

Although the year started off a little rocky, everyone was pleased by the end of the season. With many girls who had never played actual volleyball, Coach Arin Aiken had her work set out for her.

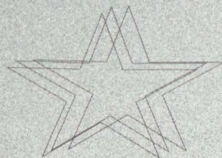

All of the girls had the skill, but they just didn't know how to use it. Not only was Aiken their coach, but she was also their mentor.

Throughout the season, the girls all got very close. They shared wins and losses, fun times, and hard times.

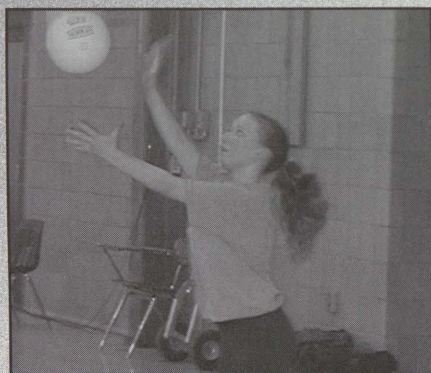

All of the players are excited to step it up even more next year.

# J.V. VOLLEYBALL

This year's J.V. Volleyball Team was a great one. With many girls returning from last year's freshman team, and even some new girls (including freshmen and one sophomore), the team was filled with a diverse group of girls.

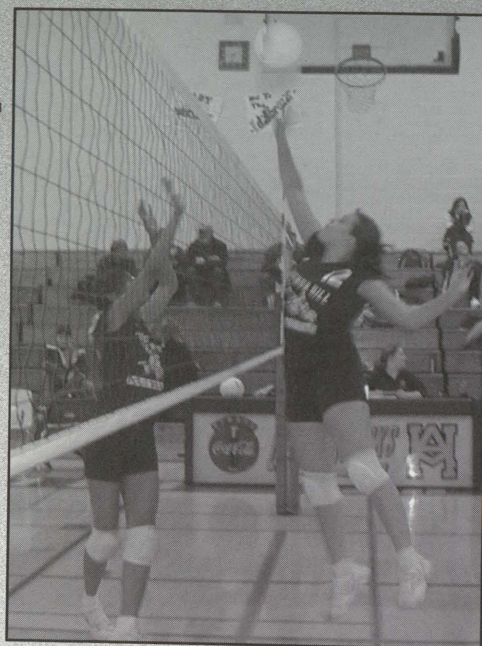

The team was lead by Coach Blu Yaw. No matter what, Yaw always kept her cool during games. She always helped her team to stay upbeat and positive.

With a few of the girls moving up to Varsity for tournament or two, the team was filled with lots of talent and skill.

The team all got along great and had the most fun at Saturday tournaments. The ladies worked hard and still got time to have some fun.

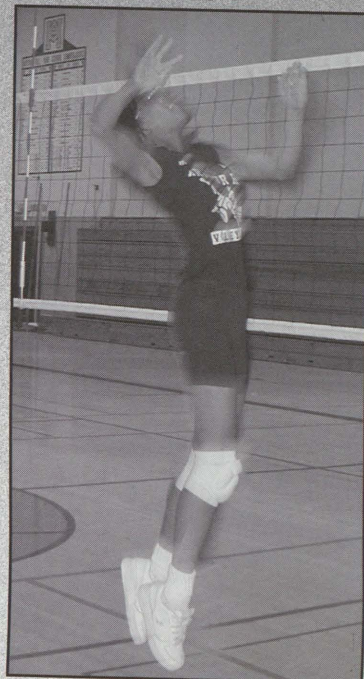

They are all looking forward to another great season next year.

This season the varsity boys swim team overcame a very big obstacle. The team only had ten swimmers this season. Although the team had many swimmers last year, seven seniors graduated, and five others quit. The boys spirits were not down but got through it as a team. They ended up taking sixth place at their Tri-City meet

on February sixth and seventh. The team is believing in their diver Brandon Beener on going to states again. This year's team is lead by junior captain Andrew Crimmins. For having such a little team, they are sure making a big splash.

# Rebuilding Year For Varsity Wrestlers

This year the varsity wrestling team was led by captain Ray Yanez. With Ray being the only senior on the team. It left plenty of room for learning for the younger guys. With big shoes left to fill from All-State wrestler Greg Kohnke, Jon Mustapha, and Lazarus Haynes, it was tough to match last year's team. This year's team was working more on improvement and hard work than worrying about wins and losses.

This year, retiring from Arthur Hill is Mrs. Otto, a general and studio arts teacher. Mrs. Otto has worked at Arthur Hill for 11 years. She was a traveling art teacher for 18 years, and she also worked for 2 1/2 years at St. Mary's High School. She graduated from Central Michigan University with a degree in art education.

Mrs. Otto said, "I will most miss my students. Being able to see them achieve and succeed long after my class is going to be the hardest thing to let go." But Mrs. Otto said what she won't miss is, "the paperwork."

The memories she has collected throughout the years she will never forget, and her everyday students will remain with her forever.

She enjoyed playing #1 singles. Her most memorable moments here at Arthur Hill are Homecoming and playing on our tennis team. She thinks English is a very hard language to learn and still giggles when people say words she's unfamiliar with. She thinks the funniest English word is pickle because, "it means something else in German."

Her favorite food is tacos, and she finds herself at Taco Bell a lot. Her favorite movie star currently is Orlando Bloom. At home, she has 1 younger brother and an older brother & sister. She's here in the U.S. for 11 months with her host family living in Kochville. When she goes home to Backnang, Germany, she will still have 2 more years of high school.

## About your local community college

We have a better record than a lot of four-year schools on the licensing exam for registered nurses. In fact, "U.S. News and World Report" (that's a magazine your parents read and you used in a footnote once in your sophomore year) reported the community college graduates perform better academically than the native university students. See, it's just not hype!

## HOLIDAY READING

**Open Your MIND**  
Use the Media Center!  
The Multimedia environment that allows every student to succeed.  
**Open**

The media center is a place where many things take place, such as celebrating holidays, black history month and other school related events.

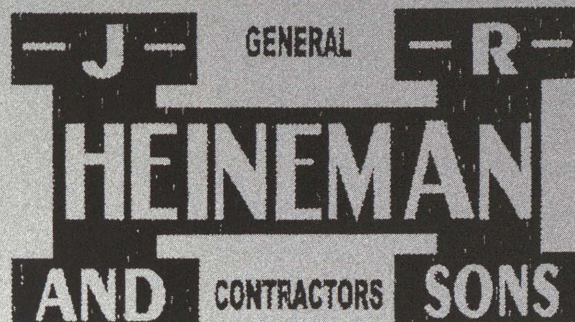

Arthur Hills media center is the place to be! Our motto is "If you have an open mind, you will learn."

In teen read week, teens are enjoying the wild imagination they can get from fantastic books

To God first and foremost

To my family and my best- friends Joy Wilson and Brandye Sentell and all of my friend's thank- you for your support, love, and friendship. You have helped mold and shape me into the person I am today. For you always being there for me in the good and the bad you have made me the caring, sharing, friendly, and good listener that I am. Thanks to all of my teacher for teaching me all the things I know. I love you all and know we will have more fun!

XOXOXOXOXOXOXOXO

P.S. Thanks class of 2004 for making my high school experience memorable.

No matter what ... YA GOTTA STRUT!

2003-2004

# Colophon

aka Yearbook info &  
Letter from the Editors

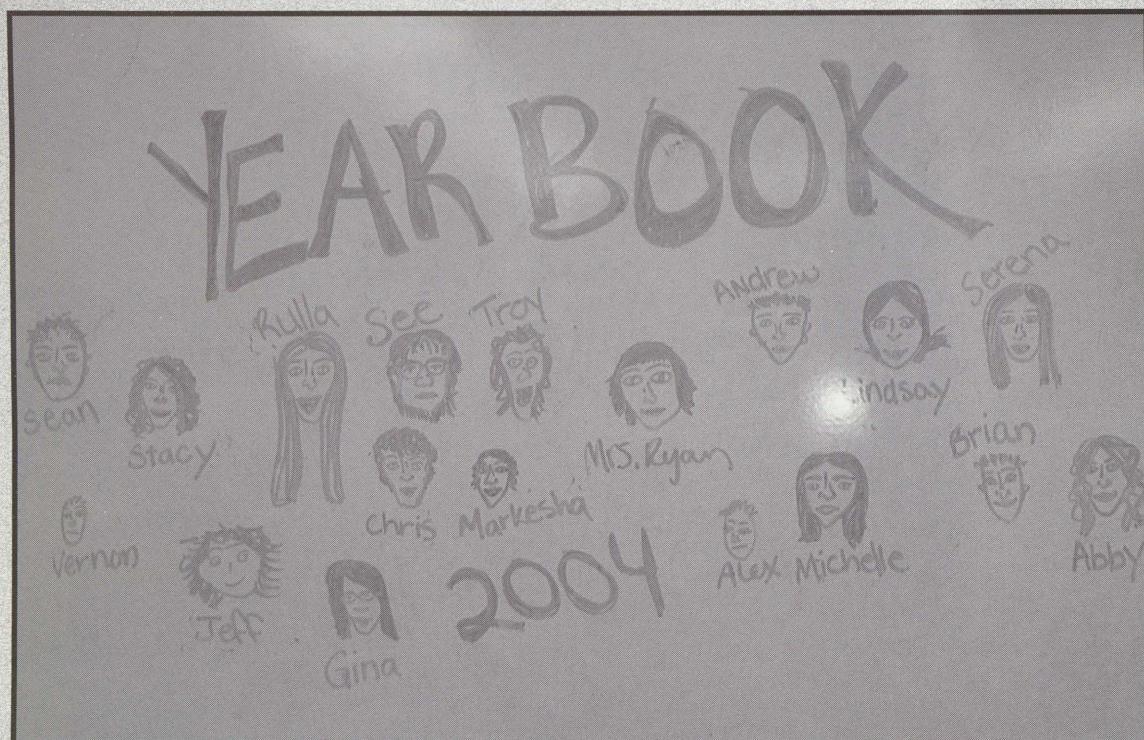

*This year the 2003-2004 Legenda Staff staff put a lot of hard work into creating our yearbook. We hope this book showcases the diversity and excellence of Arthur Hill. As you page through the book you will be taken through the many events of the past year and pleasantly reminded of their detail through pictures and articles.*

*Our staff is composed of juniors and seniors who have expressed a sincere interest in capturing the memories we share here at Arthur Hill. We feel this book belongs to everyone at the Hill, so it's important to incorporate as many of you Lumberjacks as possible. From seniors to freshmen, administration to staff, from those of you who are leaving and those of you who are staying, in this book you can find them all.*

*This year the chosen theme was "proud to be". As you see, throughout the entire yearbook the theme was shown at the bottom of the pages. We are proud to be a part of the yearbook staff and of our accomplishments here at Arthur Hill.*

*When processing over 1,800 names, 100 stories, and 1,000 captions, mistakes are bound to be made. They were completely unintentional and we sincerely apologize.*

*Thankyou for being a part of the 2003-2004 yearbook experience. We hope these memories are enough to last you a lifetime.*

**Sincerely, Your 2003-2004 "Proud  
To Be" Yearbook Editors,  
Stacy Keene & Rulla Sika**
